

## 2007 Detroit Region National Solo Championship Results

Submitted by: Angela Dallas

During the last week in September, 36 Detroit Region members headed to Heartland Park in Topeka, Kansas to compete in the Annual National Solo Championships. Out of those 36 competitors 21 of them came home with a National Trophy. Of those 21 trophy winners there were 3 National Champions. Along with a National Championship, Jeremiah McClintock also received a trophy for overall fastest time for the entire championship event which included over 1100 competitors.

Please take a moment when you see these region members and wish them Congratulations!
