# RACING KARTS

**JUNIOR SENIOR 125 GEARBOX**

Today's kart racing takes place on all kinds of tracks- autocross solo, 1/2 - 3/4 mile sprint tracks, even long tracks - including Mid-Ohio, Road America and more! Fast, affordable and fun, kart racing offers a big bang for your hard-earned buck!

Stoney Creek Motorsports has what it takes to put you at the front of the pack. The very latest in chassis from Mike Wilson and All Kart. Engines, wheels, tires and driveline parts. Gauges, fuel and lubricants. Racewear, helmets and accessories.

Of course, we offer complete race-ready packages, too- with everything you need to hit the track. Many used karts and parts are available. There's even a complete machine shop to handle your blueprinting and rebuilds.

Stoney Creek is your agent for everything in race karts.

## ATTENTION SOLOISTS!

Overall, do you consider your Solo experience to be enjoyable and rewarding? Do you have at least one year of experience? Are your discussions of Solo activities characterized by enthusiasm and emotion? Do you remember being overwhelmed as a novice at your first event? Do you anticipate being an active participant at most of the Region's 1998 Solo events? Do you enjoy the social aspect of Solo events? If your answers to these questions are yes, then you can help!

A mentoring team is being formed to provide novice Soloists assistance with subjects such as car classification and preparation, registration procedures, work opportunities, event operation protocols, rudimentary driving instruction, as well as being a part of "the group". The team's focus is toward helping new participants quickly become knowledgeable, and therefore, more comfortable with the sport. Intended to compliment the newly announced Street Tire classes and as an extension of the Spring Solo School, this action is hoped to counteract the high non-renewal of membership by first year Soloists. An additional benefit is ensuring large and competitive future events. Ideally, enough of you will volunteer to facilitate having "mentors" in most of the popular classes. **Be assured, having past championships on your resume is NOT a requirement for joining the team;** in fact, driving instruction is thought to be a secondary objective of the program. Nor does being on the team mandate attendance at all of the Region's seven events planned for 1998. The primary consideration for becoming involved is a genuine desire to help others learn to enjoy YOUR SPORT! Interested??

Promptly complete and return the following form. Also, plan on attending a mid-week organization and training meeting to be scheduled prior to the May 1<sup>st</sup> and 2<sup>nd</sup> Solo school. If you need additional information, please contact Jennifer Poloms, Team Coordinator: 734.662.0941.
