RE REMARQUES

by Marcus Merideth

I would like to thank the people that took the time out of their busy schedules to attend the August Road Racing Meeting. The turnout was not satisfactory. For a Region of over 2000 members it seems that less than 50 care about the road racing program. Well, you have to start somewhere, and hopefully we are going in the correct direction.

Here are a few of my notes. It would be great for all specialty chiefs to have an assistant to learn the job and reduce the work load. We do not have race chairs for How The Other Side Does It Regional or the May Double Regional races. A committee was formed to send out a survey to try to understand the lack of interest/satisfaction with the racing program. Should we supplement the room and board of the chiefs at races? Would it be nice to give all the RunOff participants something to show they are Detroit Region Members? Anything I missed or you would like to be considered, please let me know.

As many of you are aware, the Board election is coming up. If you want something to change, run for the board, it is the best way to make a difference in the club. At least take the time and energy to vote.

On a more upbeat note, the Solo and Rallye programs seem to be doing very well. Participation is good, and the organization seems to be working well. Hopefully, we can get the racing program on firmer ground soon.

Welcome our new Editor, Jodi Mahaney. This will be her first month of publication. Thanks, Jodi, for volunteering.

Until next month,

Marcus Meredith
