

Moonlight Monte 2001.

March 10, 2001

54823 Cambridge Dr.
Shelby Twp., MI 48315-1617
March 12, 2001

Dear Moonlight Monte Competitor or Worker

Thank you all for attending and making our last event for a while a real success. We had 24 cars, including 11 novice teams. Only 21 cars made it to the end as two teams got called away and one had the front hub start to fail. As far as I know, the only other car problem was my Jeep that quit running just after control 14. We were able to hitch a ride with sweep to make it back to the finish.

As usual, with Bob Martin at the computer, we had scores in a timely manner. Unfortunately, a part in Bob's printer broke after printing only two pages at the break, so we didn't have paper results. Fortunately, Bob brought a projector for the computer, so we were able to project the results big screen on the wall. What a great job Bob.

One of the biggest fears for any organizer of a rally is getting enough control workers. Thank you to all that came and spent the day doing just that. Jerry and Mary Shiloff deserve a special mention. Not only did Mary help with registration, they worked two controls in each section.

Enclosed are the final results.

As you know, no rally can be done by one person. I would like to thank the following for all the work that made the event possible.

My wife Marianne for doing registration, working a control in each section, and helping keep things under control all night.

Pete Padden and his daughter Katy for handling all the equipment and working a control in each section.

Les Talcott and Joe Andreini Jr. for making sure that all the controls were in place on time.

Ken Knight who drove course opening for me until my Jeep quit.

Rich Line and his son, David, who not only did sweep, but worked the first control in each section.

John Garlicki and Bruce Fisher for giving up running to work controls. Without them, we would have lost four controls.

This is our last event for a while. Marianne and I plan to do a lot more traveling and camping in the next few years, so organizing events ties us down too much. Scott Harvey and I still plan to run for the CenDiv championship, so I won't be totally out of it.

Sincerely,

Jim Mickle, Chairman
